GET INVOLVED IN CBAI'S SCHOLARSHIP PROGRAM!

The CBAI Foundation for Community Banking provides funding for the **CBAI Annual Scholarship Program** for Illinois high-school seniors and for the three **Child of Community Banker Scholarships**. Additionally, **four, two-year scholarships** for bankers to attend the **Community Bankers School is now available annually!**

With college tuitions rising every year, these statewide scholarships help deserving young adults further their educations and develop as tomorrow's leaders. The Foundation also strives to increase public awareness of community banks and their contributions to society.

CBAI ANNUAL SCHOLARSHIP PROGRAM

Via an essay-writing contest on a topic about community banking, high-school seniors from all over the state compete. CBAI now offers 11 \$1,000 scholarships, 12 \$500 scholarships, and one \$4,000 scholarship to the statewide winner — EVERY YEAR! There is **no cost to your bank** to participate!

SCHOLARSHIPS FOR CHILDREN OF COMMUNITY BANKERS

SHAZAM®, Kasasa, and Community BancService (CBSC) Scholarships are given annually in the amount of \$1,000 per year for up to four years. Winners are chosen from banks which have pledged/donated a minimum of \$2,500 to the Foundation. They are the result of generous donations from the **SHAZAM®, Kasasa**, both preferred service providers of Community BancService Corporation, Inc., and **CBSC** itself.

SCHOLARSHIPS TO THE COMMUNITY BANKERS SCHOOL

Four two-year scholarships for bankers to attend the Community Bankers School are now available annually! Winners are chosen from banks which have pledged/donated a minimum of \$2,500 to the Foundation. They are endowed by the **Federal Home Loan Bank of Chicago, THE BAKER GROUP, CBAI Career Development Division (CDD)**, and **Howard & Howard Attorneys**.

COMMUNITY BANCERVICE CORPORATION PARTNERS

Founded as a separate corporate entity in 1981 to provide special member services, **Community BancService Corporation, Inc. (CBSC)**, aggregates the clout of CBAI member banks to negotiate lower costs, more favorable terms and improved access to essential bank products and services. Before CBSC rolls out a new program, it is subjected to a thorough review.

DUE DILIGENCE

Community banks are required to gather, analyze, and report an enormous amount of information about their third-party service providers. Recently, bankers told CBSC staff that examiners now expect a due diligence file on every bank vendor — even the snow-removal company! The CBSC staff and leadership invest hundreds of hours annually evaluating new vendor services, checking references, analyzing financial statements, and verifying vendor performance. The board also insists that new programs provide member benefits. Often a benefit is improved contract terms; i.e., the board may negotiate a shorter term or reduce termination requirements. In many agreements, CBSC has strengthened vendor-performance requirements by making them liable for their actions. Those are benefits that bankers don't often see because they are not as visible as a discount or rebate, but they are just as important.
