

CBAI's ANNUAL CONVENTION & EXPO

SEPTEMBER 19 - 21, 2024

CROWNE PLAZA, SPRINGFIELD, IL

FIFTY YEARS. ONE MISSION. COMMUNITY BANKS.

In 2024, Community Bankers Association of Illinois (CBAI) is celebrating its 50th Anniversary. On February 27, 1974, five Independent Community Banks in Illinois (ICBI) committee members signed incorporation papers with the Office of the Secretary of State as the not-for-profit Independent Community Banks in Illinois Association which is now known as CBAI. From a 400-square-foot office with one employee to a 13,200-square-foot headquarters with two training rooms and a staff of 22, CBAI has grown with the support of an amazing group of community bankers.

During this year as we reflect on the past, present and future, we must acknowledge the outstanding efforts of CBAI's chairmen/chairwomen, board members, staff and bankers devoted to preserving the mission of community banking. Without their tremendous support, CBAI could not have become one of the largest banking associations in the country. CBAI is committed to offering quality education, effective political representation and essential products and services to community banks in Illinois.

CBAI is excited to celebrate this incredible milestone in community banking history. You don't want to miss it!

THURSDAY GOLF OUTING

The Golf Outing at CBAI's 50th Annual Convention & Expo on September 19, 2024, will be held at Piper Glen Golf Club. Located in Illinois' historic capital city of Springfield, Piper Glen has 18 holes of championship golf on 177 acres of lush, green, tree-surrounded and well-maintained scenic property.

The award winning course at Piper Glen is a par 72, championship layout course, consisting of immaculate bent grass tees, fairways and greens. Strategically placed bunkers and water hazards, combined with the gently rolling countryside and existing wooded areas, make for a challenging round of golf for players of all abilities.

THURSDAY OPTIONAL ACTIVITY

Thursday's tour begins at Route 66 Motorheads Restaurant and Museum where you enjoy a great lunch, drinks and a nostalgic walk through the past with vintage memorabilia, photographs and artifacts that tell the story of Route 66, showcasing the people, places and moments that have shaped its legend. Visit the Motorheads Gift Shop where an impressive array of memorabilia and collectibles celebrates the spirit of Route 66. Walk across the parking lot to Alive on 66 where you'll find a quaint garden shop filled with unique plants and gifts.

Next, head over to Ace Sign Co. Sign Museum to check out their collection of over 85 historic signs from Springfield and Route 66. Dim the lights and experience the ambiance and character of the neon glow under wood-battered ceilings. The collection is constantly growing and transforming as they strive to maintain some of the most iconic signs in the area. The museum features many notable signs including a 12-foot tall 1953 Neon Pepsi Bottle Cap, a sign that once identified the Train Depot where Abraham Lincoln gave his farewell speech, and a number of other vintage signs originating from memorable dining establishments and vintage brewing companies. Finish the trip by shopping at the Route 66 Sign Museum Store for museum merch!

Welcoming Reception

Thursday night, we kick off the 50th Annual Convention with an evening of great food, cold drinks, excellent entertainment and unique silent and live auction items supporting the Community BancPac. New this year, the silent auction will be held online, allowing attendees to instantly bid from their phones and receive notifications on the items they're interested in, making it easier and more convenient than ever to participate! The Foundation for Community Banking will be holding a "wine pull" raffle this year to support its annual scholarship program.

Providing music at the Welcoming Reception is CBAI's favorite "house band," the Backroads Band, featuring CBAI's Jeff Rabenort, CBSC vice president of member services, on guitar and backup vocals. Together since the mid-80s, all four members of the band hail from Okawville High School.

You won't want to miss this this exciting event as the celebration of CBAI's 50th Annual Convention & Exposition is just getting started!

Opening Breakfast Speaker

Colette Carlson, founder of Speak Your Truth, Inc., is a human behavior expert and keynote speaker who inspires individuals to connect and communicate in real and relevant ways. Regardless of your title and role, people experience everyday stressors while they are expected to stay agile through constant change. In today's world, people are required to exceed expectations and produce more in less time with fewer resources, all while staying positive and engaged with colleagues and customers. New challenges have collapsed the boundaries between work and home, leaving people juggling opposing demands for time, energy and attention. It's no surprise, even with the best of intentions, leaders and teams feel stressed out, disconnected and emotionally exhausted. Enough! It's time for You Management!

Join Carlson in this laugh-out-loud presentation of "You Management: Strategies to Avoid Burnout, Boost Resilience and Accelerate Success" as she shares practical, yet powerful, science-based strategies to remain resilient and accelerate your success during the most challenging of circumstances.
