

CBAI FedPac Fundraiser – Another Bases-Clearing Home Run!

CBAI extends a big THANK YOU to the many community bankers, associate members, and sponsors for stepping up to the plate and supporting CBAI FedPac!

This game was a night game match-up between the St. Louis Cardinals and the San Diego Padres. The enthusiastic crowd in our Redbird Row suite saw the home-team Cards prevail with a bottom-of-the-10th-inning walk-off hit to score the winning run.

CBAI's Championship FedPac Team

This game was a great opportunity for team members to get together and have some fun while supporting a great cause. Several players were new to the league of FedPac supporters, and many others brought their teammates, which made for a great mix of veteran players and rookies.

CBAI FedPac was created to enhance the voice of Illinois community banks in Washington, D.C. CBAI FedPac is an important tool for community bankers to exert a strong and proactive influence by supporting those members of Congress who believe in our mission to compete and to serve our customers and communities.

Participation in an event like this is an enjoyable and effective way to contribute to CBAI FedPac and get involved. CBAI sincerely thanks all our championship team members for their support for the CBAI FedPac.
